### Observation:

It is observed that some of our students are not up to the mark in communication skills.

It is observed that the application of subject into practical has to be improved.

### Plan of Action:

Soft skills classes are included in the regular class work timetable.

Hands on workshops are conducted every semester to enhance the practical knowledge of the student.

### Observation:

It is observed that some students are lacking practical knowledge.

It is observed that some students are unable to apply fundamentals on engineering subjects

### Plan of Action:

Hands on workshops are conducted every semester to enhance the practical knowledge of the student.

Bridge courses are conducted to improve the fundamental knowledge.

**Observation:**

It is observed that students are lacking skills in developing prototypes.  
 It is observed that emphasis on professional ethics and communication skills need to be improved.

**Plan of Action:**

Hands on workshops are conducted every semester to enhance the practical knowledge of the student.  
 Soft skill classes are included in the regular timetables for all the sections right from second year to improve their communication skills.
