Experts: Mrs.T. Saroja Reddy

Director,

Vice President,

Shantha Educational Society

One day quiz program on World Environment Day on 6th June 2022 for the benefit of our students and faculties of St. Peter's Engineering College, Hyderabad. The coordinator for the quiz program was Ms.Arsha reddy, Assistant Professor, Department of S & H. She organized this Quiz programme in peaceful manner.

The world environment day theme for 2022

Only One Earth

This year's theme is '**Only One Earth**', which draws our attention towards playing our role effectively while living in perfect harmony with nature - without proving a burden on it.

The world environment day 2022 event - Sweden

Theme for World Environment Day 2022: Only One Earth. **Sweden** country is hosting World Environment Day 2022.

World Environment Day 2022 is hosted by Sweden. "Only One Earth" is the campaign slogan, with the focus on "Living Sustainably in Harmony with Nature".

We conducted quiz program for our student. More than 50 students registered the program.

Mrs. Saroja Reddy, invited as a guest, and madam involved in the quiz programme and enjoy with students. She completed her M.Tech in Computer Science, from the prestigious institution. She is the Backbone of the computer science Department. Her visionary ideology helped the students and faculty to improve their theoretical Knowledge regarding Modern science and technology.

The next generation of children needs to be equipped with the knowledge of global challenges and realities that our planet is facing. Education for sustainable development prepares learners with the knowledge, skills and mindset to care for our planet and its inhabitants and to find solutions to the challenges of today's and the future.

In the quiz program various types of environment related quizzes were asked to the students.

Finally, our guest facilitates the students and faculty members by providing certificate and prizes.

The session was concluded by honourable Dr.T.Shanmugapriya, IIC convener with vote of thanks.
