Shutterbugs

Shutterbugs is one of the most prominent and most interesting club in our college. It was started on 12th August 2013. The club is basically a photography club where the students are given a chance to learn about different techniques in photo and videography, where we ensure that our club members learn new skills, which will help them in composing various different shots, both in video and photo formats. The members of the group will take photos of different and various events organized in the college. The club is Headed by Krishna Teja of ECE.

The members of the club are:

1. Vinith Reddy
2. Manoj Sandy
3. Arun
4. Jayanth
5. Shriya
6. Saikumar
